Welcome to 2010. What a horrible winter we have all had. As I write however the sun is out and hopefully people are beginning to dust off their diaries and think of what to do this year.

This year we will be running two mixed discipline camps, covering flatwork, showjumping and cross country, over 4 days. However for those of you who may wish to do just flatwork if you could let me know we may run some flatwork groups in parallel with the jumping/mixed activity groups.

Our Showjumping sessions on the grass with David Thomas will be running again from May through to September on alternating Wednesday evenings. There will be two groups per evening from 5-6pm and 6-7pm. One group will most likely be for less experienced riders/young horses and the other for the more advanced.

We are hosting two shows this year. Winchester Riding Club's Annual Show will take place at the farm on 11th July 2010 and we are welcoming Meon Riding Club in August for their Summer Show on 30th August 2010.

Forms are attached to enable you to reserve your places on the Camps and David Thomas Show Jumping Clinics. Please return these to me, together with any deposits and payments, to the above address. If you want to ask any questions please do not hesitate to call me on my mobile number as I am happy to answer any queries.

I look forward to seeing you this year.
